**BILL NUMBER:** HB 1709

**NOTE PREPARED:** Jan 10, 2003

**BILL AMENDED:**

**SUBJECT:** Judicial Salary Adjustments.

**FIRST AUTHOR:** Rep. Klinker

**FIRST SPONSOR:**

**BILL STATUS:** As Introduced

**FUNDS AFFECTED:** X GENERAL  
DEDICATED  
FEDERAL

**IMPACT:** State

**Summary of Legislation:** This bill has the following provisions:

(A) It provides that full-time judges and justices automatically receive a salary increase in each fiscal year that the General Assembly does not provide a salary increase.

(B) It provides that the automatic salary increase is the same statewide or cost-of-living percentage increase received for that fiscal year by state employees in the executive branch who are in the same or a similar salary bracket. (The introduced version of this bill was approved by the Commission on Courts.)

**Effective Date:** July 1, 2003.

**Explanation of State Expenditures:** The added expenditure that would result from this bill would depend on the salary increase granted to other state employees. Each 1% increase results in an additional cost of \$501,590 to the state General Fund.

The Office of State Court Administration reports that 588 judicial officers serve in either appointed or elected offices in 2003.

Increasing the salaries of trial court judges will also increase the salaries of other court officers which are linked in statute.

- The salaries of magistrates are defined in statute as 80% of the salary of a trial court judge (IC 33-4-7-9.1).
- The salaries of juvenile court magistrates are also 80% of the salary of trial court judges, but the

county pays \$41,393 of the total salary (IC 33-13-12-8.2).

- The salaries of the prosecuting attorneys are the same as the salaries of the judges of the circuit court (IC 33-14-7-5).

Prosecuting attorneys may elect to work part-time. If they do, then their salary will either be 60% or 66% of the salary of a full-time prosecuting attorney, depending on whether there are correctional facilities or state mental facilities located in the county in which they serve.

Deputy prosecuting attorneys who are paid by the state may also elect to work on a part-time basis. Part-time deputy prosecuting attorneys are paid 75% of the salary of prosecuting attorneys (IC 33-14-7-2).
